

We ask that all visitors to Pecorama comply with the Government guidance at the time of their visit.

You will be asked to check into the NHS track and trace system inline with current regulations.

Please find information about our safety measures below.

KEEP YOUR DISTANCE

Please always observe social distancing to keep yourself and our staff safe.

BE PREPARED

BRING A FACE COVERING

Face coverings must be worn when on the trains and in any inside areas.

HANDS ON INTERACTIVE EXHIBITS

Please sanitise your hands before and after using any of our exhibits and wait your turn at a safe distance.

DISTANCING ON TRAINS

We will be operating with front facing seats only to enable distancing. It will be at the Station Masters' discretion to allow family groups to sit facing each other if we can ensure the safety of other guests.

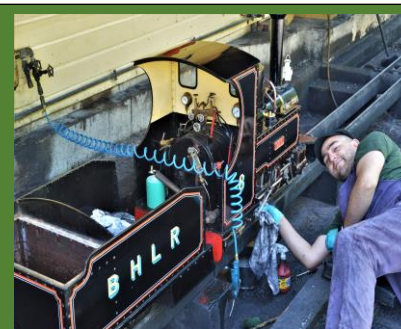

Face masks must be worn whilst on the trains.

FOLLOW SIGNAGE

We are operating a one-way system through our Exhibition and Shop as well as our queue lines for the trains and our food outlets.

Please abide by the signage and guidance from our team.

ENHANCED CLEANING

We will be sanitising the trains after each outing and have increased frequency our cleaning routines across the whole site. Doors will be open where possible and touch points regularly sanitised.

We also have sanitiser stations in all areas.
