

We ask that all visitors to Pecorama comply with the Government guidance at the time of their visit.

We will still be operating the NHS Track and Trace system which is no longer a legal requirement but helps to control the spread of COVID19.

Please find information about our safety measures below.

KEEP YOUR DISTANCE

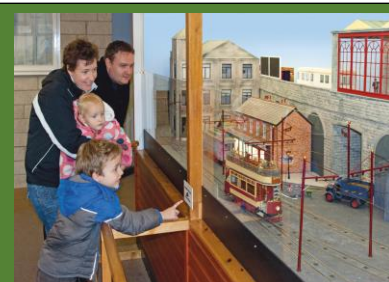

Please always observe social distancing to keep yourself and our staff safe.

BE PREPARED

BRING A FACE COVERING

We ask that face coverings are worn in any inside areas.

HANDS ON INTERACTIVE EXHIBITS

Please sanitise your hands before and after using any of our exhibits and wait your turn at a safe distance.

DISTANCING ON TRAINS

As our trains are in the open, we will be using all the seats. If you wish to be seated in a separate carriage, please inform the Station Master.

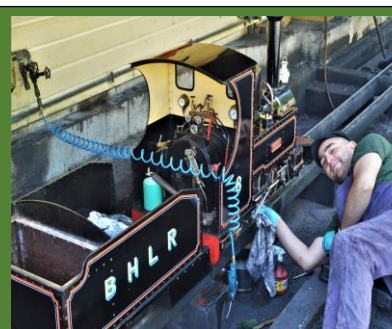

Please sanitise your hands before boarding.

FOLLOW SIGNAGE

We are operating a one-way system through our Exhibition and Shop as well as our queue lines for the trains and our food outlets.

Please abide by the signage and guidance from our team.

ENHANCED CLEANING

We will be sanitising the trains after each outing and have increased frequency our cleaning routines across the whole site. Doors will be open where possible and touch points regularly sanitised.

We also have sanitiser stations in all areas.
